

Greetings!

Believe it or not, Fall youth football and cheer season is already underway, and the young boys and girls of Nashoba Youth Football and Cheer (NYFC) are hoping they can count on your support this year.

NYFC is non-profit recreational program with more than 100 student athletes, grades K-8, in Lancaster, Bolton, and Stow. As a volunteer organization, we rely on the generosity of local businesses like yours in order to continue providing opportunities for our athletes to develop.

Our annual expenses are many: equipment reconditioning and purchases- such as helmets and cheer mats; field fees; EMT staffing, and college scholarships for our former athletes. Your company contribution will be used to help provide these things!

A *sponsorship* is a great way to for you to get your name out to our Nashoba area families, and to be seen as a business that is an enthusiastic supporter of our local community. Of course, other contributions are always considered.

Please consider a tax-deductible donation to our Nashoba youth football players and cheerleaders. Feel free to contact me with any questions at nashobayfcfundraising@gmail.com .

For more information on our organization, go to www.nashobayfc.com or find us on Facebook, Instagram and Twitter.

On behalf of the entire NYFC Board of Directors, coaches, parents, and athletes - thank you in advance for your support. GO CHIEFS!!

Sincerely,

Debra Williams
2018-2019 Nashoba Youth Football & Cheer
